

CHRISTOFFER  
CARSTANJEN  
1967-2001

Killed on United  
Flight no. 175 that  
struck the NY World  
Trade Center on  
Sept. 11/2001. He  
was going to meet  
his friends for the  
Pacific Coast  
Highway Ride in  
California.

Friend of PC800  
members on Internet  
and the Ottawa,  
Canada PC800 club.

From Aug. 3 to  
5/2001 we had the  
true pleasure of  
Christopher's  
company and feel  
truly outraged that  
terrorists have stolen  
our future fun times.
